ABOUT ME

Live entertainment and production professional with 3+ years across theatre, cultural programming, publishing, and live events. At NCPA, progressed from a junior production role to leading festival and production management, handling budgets up to ₹50L, multi-disciplinary teams, vendors, and 100+ visiting productions. I bring a mix of creative thinking, operational rigour, stakeholder management, and commercial awareness, and am looking to bring that experience to building partnerships and exceptional experiences in the live entertainment ecosystem.

EXPERIENCE

Production Manager

Present

Freelancing

- Lead end-to-end production management for theatre festivals- “Vasant” and “Pratibimb” at NCPA and full-scale productions, from pre-production through on-ground execution
- Own budgets of up to ₹50L per festival, including vendor procurement, contract negotiations, cost tracking, and financial reconciliation
- Coordinate multi-disciplinary crews of 10–30 across technical, creative, and support functions, aligning teams to delivery timelines
- Oversee scheduling, space allocation, logistics, and stakeholder coordination across concurrent multi-stage programming

Junior Officer – Theatre and Films

2024 – 2026

National Centre for the Performing Arts (NCPA) · Mumbai, Maharashtra

- Managed ground-level production coordination for NCPA Marathi productions Alive and Kalgitura across multiple runs
- Serve as a primary point of contact for 100+ visiting productions and companies, managing requirements, coordination, and venue delivery
- Managed vendor follow-ups, scheduling, production requirements, and on-ground coordination for performances and events
- Built strong stakeholder and operational knowledge within one of India's leading performing-arts institutions

Project Manager

2023

Become Shakespeare · Mumbai, Maharashtra

- Managed project timelines and deliverables for book projects, coordinating authors, editors, designers, printers, and other stakeholders
- Built strong project planning, deadline management, vendor coordination, and cross-functional stakeholder skills

Production Intern

2022 – 2023

- Assisted the production team across pre-production, rehearsals, and live show execution
- Built foundational experience in stage management, crew coordination, props, and live-show logistics

KEY SKILLS
